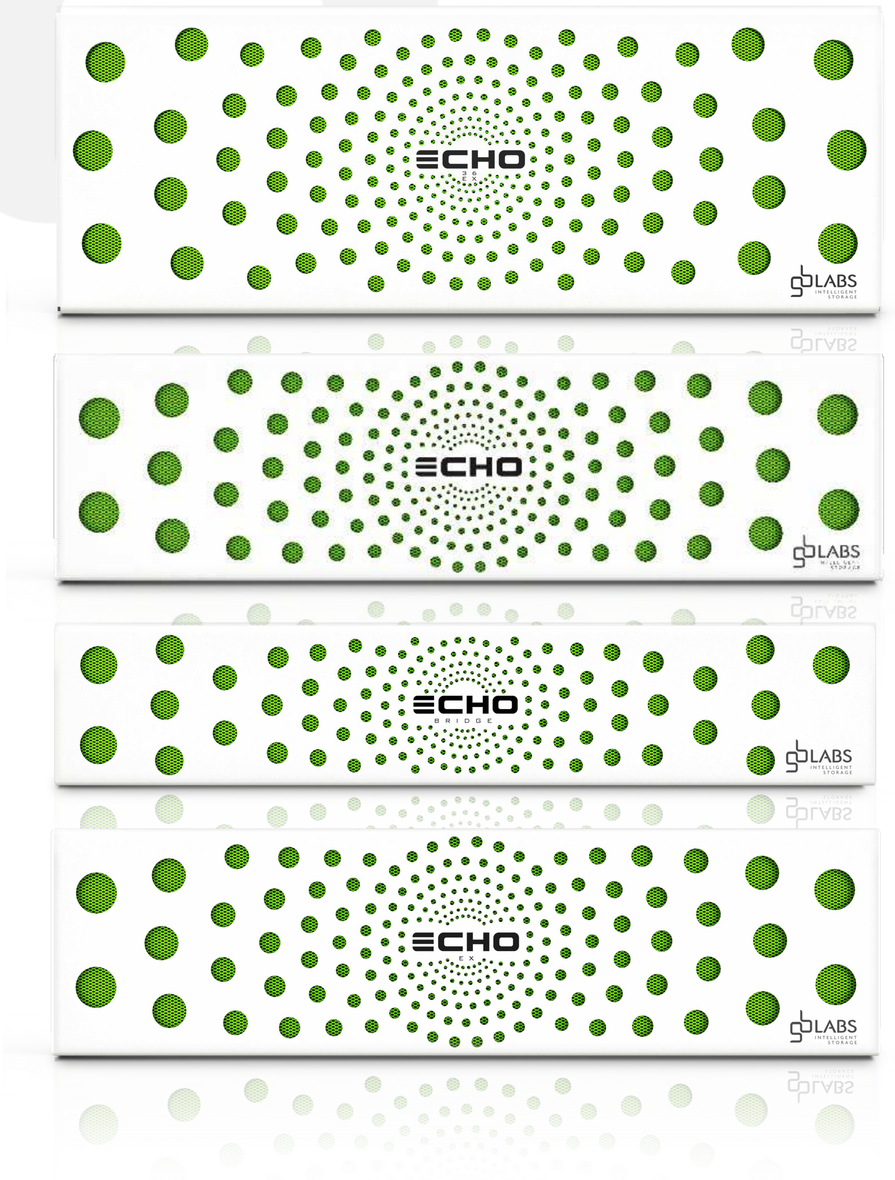
ECHO

OVERVIEW

GB LABS
INTELLIGENT STORAGE

ECHO PRODUCT RANGE

AS ARCHIVES GROW, ECHO GROWS, DYNAMICALLY & COST EFFECTIVELY



Data security is essential, as is an instantly-available media archive. Our scalable ECHO can fulfil both roles in a state-of-the-art near line solution.

GB Labs ECHO Product Page

RACK BASED SAN RECYCLER

NEW CAPABILITIES FOR EXISTING STORAGE

CORE.4

- Compatible with SAS and fibre channel storage
- Comes complete with GB Labs CORE.4 software
- Various Ethernet interfacing options

GB Labs ECHO Product Page

Technologies

IDA² / Dynamic Bandwidth / Analytics Centre / Cloak DR / Mosaic / Unify Hub

RACK BASED NEAR LINE

HUGE CAPACITY, ADDITIONAL PROTECTION AND CLASS LEADING ROI

CORE.4

- High resilience (RAID 6 + 2)
- Compact form factor
- Highly scalable capacity
- Mirrored OS
- Hyperspace compatible
- Energy efficient
- TB / $ efficiency

GB Labs ECHO Product Page

Technologies

IDA² / Dynamic Bandwidth / Analytics Centre / CloakDR / Mosaic / Unify Hub

Capacity: 64 - 448TB

Speed: Up to 2GB/s

Expandable: Up to 10PB

ECHO (16 BAY)

RACK BASED NEAR LINE

MORE THAN JUST BACK UP

CORE.4

- Energy efficient
- Dynamic ‘data in place’ expansion
- Near line and backup with failover performance
- TB / $ efficiency
- Highly scalable capacity

GB Labs ECHO Product Page

Technologies

IDA² / Dynamic Bandwidth / Analytics Centre / CloakDR / Mosaic

Capacity: 32 - 224TB

Speed: Up to 1.5GB/s

Expandable: Up to 4PB

ECHO EX (16 BAY & 36 BAY)

RACK BASED NEAR LINE EXPANSION
